

# Year 2001 Value 1 Statement

Durham Regional Police Sgt. John Keating, the father of a child with autism, captured the imaginations and hearts of people across North America when he embarked on a 12,000-kilometre bicycle odyssey from New York City to San Diego in support of autism research. After three grueling months, the 18-year police veteran completed the journey, having raised the level of awareness and over \$1 million in research funds.
